## Education

---

**S.S.C, Shree Swaminarayan Gurukul Rajkot** 2017  
89.5%

**H.S.C | Science, Shree Swaminarayan Gurukul Rajkot** 2019  
87.69%

**Computer Engineering, Vishwakarma Government Engineering College** 2019 – 2023  
CPI - 6.99

## Projects

---

### Book-e-sell E-commerce web site, Tatvasoft

- Created Book-e-sell E-commerce web site using **ReactJS**, **NodeJS** and **MongoDB**. Built frontend
- for each and every module with the help of **ReactJS** and **CSS**.
- Built backend with the help of **NodeJS** / **ExpressJS** and **MongoDB** as the database. Use
- encryption techniques to secure communication between the client and server.

### CRONIC, Techmicra IT Solutions

- Cronic is a scale / Daily Business Web app, in this application where users can find Newspapers, Railway, Bus, Flights, Hospitals, Plumbers, Electricians, Sweepers, Laundry, Carpenters, Helpers, Gas Services, Milk Men, R/O Water Suppliers, AirCondition Suppliers, etc.
- Created daily business web applications using **Python** and **Django**. Built
- frontend with **HTML** and **CSS** while back with **JS** and **Python**. Use **Django**
- and **bootstrap** as framework and **SQLite** as the database. Implement
- appropriate security measures to protect user data.
- Optimise code for performance and scalability.
